#### §§ 230.702(T)–230.703(T) [Reserved]

REGULATION S—RULES GOVERNING OFFERS AND SALES MADE OUTSIDE THE UNITED STATES WITHOUT REGISTRATION UNDER THE SECURITIES ACT OF 1933

SOURCE: Sections 230.901 to 230.904 appear at 55 FR 18322, May 2, 1990, unless otherwise noted.

PRELIMINARY NOTES: 1. The following rules relate solely to the application of Section 5 of the Securities Act of 1933 (the *Act*) [15 U.S.C. 77e] and not to antifraud or other provisions of the federal securities laws.

2. In view of the objective of these rules and the policies underlying the Act, Regulation S is not available with respect to any transaction or series of transactions that, although in technical compliance with these rules, is part of a plan or scheme to evade the registration provisions of the Act. In such cases, registration under the Act is required.

3. Nothing in these rules obviates the need for any issuer or any other person to comply with the securities registration or broker-dealer registration requirements of the Securities Exchange Act (the *Exchange Act*), whenever such requirements are applicable.

4. Nothing in these rules obviates the need to comply with any applicable state law relating to the offer and sale of securities.

5. Attempted compliance with any rule in Regulation S does not act as an exclusive election; a person making an offer or sale of securities may also claim the availability of

any applicable exemption from the registration requirements of the Act. The availability of the Regulation S safe harbor to offers and sales that occur outside of the United States will not be affected by the subsequent offer and sale of these securities into the United States or to U.S. persons during the distribution compliance period, as long as the subsequent offer and sale are made pursuant to registration or an exemption therefrom under the Act.

6. Regulation S is available only for offers and sales of securities outside the United States. Securities acquired overseas, whether or not pursuant to Regulation S, may be resold in the United States only if they are registered under the Act or an exemption from registration is available.

7. Nothing in these rules precludes access by journalists for publications with a general circulation in the United States to offshore press conferences, press releases and meetings with company press spokespersons in which an offshore offering or tender offer is discussed, provided that the information is made available to the foreign and United States press generally and is not intended to induce purchases of securities by persons in the United States or tenders of securities by United States holders in the case of exchange offers. Where applicable, issuers and bidders may also look to §230.135e and §240.14d-1(c) of this chapter.

8. The provisions of this Regulation S shall not apply to offers and sales of securities issued by open-end investment companies or unit investment trusts registered or required to be registered or closed-end investment companies required to be registered, but not registered, under the Investment Company Act of 1940 [15 U.S.C. 80a-1 *et seq.*] (the *1940 Act*).
